Montana Health Care Programs Notice

Orientation and Mobility Specialists (EPSDT)

Effective July 1, 2014

Reimbursement Rate Changes and New Method of Payment

Orientation and mobility specialist provider reimbursement rates on the fee schedule will be increased by approximately 2% for SFY 2015 beginning on July 1, 2014. This is due to an appropriation by the 63rd legislative session in 2013.

To view the rate of reimbursement for services done in a school setting, please use the school-based services fee schedule found on the Montana Medicaid Provider Information website, <http://medicaidprovider.hhs.mt.gov>.

Choose the Resources by Provider Type option in the left menu, read and accept the end user agreement, and use the alpha shortcut (R-Z) or scroll to the School-Based Services link, and scroll to the fee schedules section.
